EDUCATION

California State University, Fullerton, M.A., Psychology, Graduation Date 2009

Emphases:

Neuroscience
Comparative Behavior
Quantitative Psychology

California State University, Fullerton, B.A., 2007

Major: Liberal Studies

Minor: Psychology

Thematic Plan Interdisciplinary Project: *Neurobiological
Differences Between Literate and Illiterate Adults: A Review of the
Literature*

Santa Ana College, A.A., 2005

Major: Liberal Arts

MANUSCRIPTS IN PREPARATION

Goode T., & Peissig, J.J. (In Preparation). Object Rotation in Animals. In *How Animals See the World: Behavior, Biology, and Evolution of Vision*. Eds. Olga Lazareva, Edward Wasserman & Toru Shimizu. Oxford University Press.

Goode, T., & Cherry, B.J. (In Preparation). Intraindividual Variability Across the Hemispheres.

Goode, T., & Miller, S.A. (In Preparation). The Damped Oscillator Model Applied to Experience Sampling: An Examination of Intensity of Emotion

MANUSCRIPTS UNDER REVIEW

Trevitt, J.T., Vallance, C., Harris, A.M. & Goode, T. (Under Review). Adenosine Antagonists in Two Rodent Models: Implications for the Treatment of Parkinson's Disease.

PAPERS/SYMPOSIA

Goode, T., & Peissig, J.J. (2008). *The Role of Eyebrows in Face Recognition*. Paper presented at the Annual Conference of the Western Psychological Association, Irvine, California.

Cherry, B.J., Barakat, B., Vardanyan, T., Romero, R., Brookhart, S., Apodaca, D., Goode, T., Patel, U., & Hellige, J. (2008). *Age Differences in Processing Information Across the Left and Right Cerebral Hemispheres*. Paper presented at California State University, Fullerton's 50th Anniversary Celebration of Research. In Celebration of Research: Strengthening CSU's Research Partnerships and Collaborations

Vardanyan, T., Brookhart, S., Apodaca, D., Barakat, B., Goode, T., & Cherry, B.J. (2008). *Interhemispheric Collaboration: Digits and Dots*. Paper presented at the Bi-annual Cognitive Aging Conference, Atlanta, Georgia.

Gunawan, K., Goode, T., Hebein, C., & Gerkens, D.R. (2007). *The Effects of Repeated Recall Testing: Can We Remember More?* Paper presented at the Annual Conference of the Western Psychological Association, Vancouver, Canada.

UNPUBLISHED MANUSCRIPTS

Goode, T. (2007). *Neurobiological Differences Between Literate and Illiterate Adults: A Review of the Literature*. Thematic Plan Senior Thesis. California State University, Fullerton. Advisors: Barbara J. Cherry & Craig S. McConnell.

HONORS AWARDED

- California State University, Fullerton "Professor for a Day" 2008
- Student Speaker, California State University, Fullerton Liberal Studies Department Commencement 2007
- California State University, Fullerton Pollak Library Undergraduate Research Award 2007
- California State University Fullerton Dean's Honor List Spring 2006, Fall 2006, Spring 2007
- Santa Ana Woman's Club Scholarship 2006
- Santa Ana College President's Honor Roll Fall 2004, Spring 2005

TECHNICAL EXPERTISE

SPSS, SAS, LISREL, HLM, Superlab, HTML, Perl, JavaScript

ADDITIONAL TRAINING

- August 2008 Half-day workshop: *Nex-Gen Data Analysis Using JMP Genomics*. SAS, Irvine, California.
 Presenters: Faye Schillkey, National Center for Genome Resources; Douglas Robinson, JMP Genomics; & Kasef Qaadri, Ingenuity Systems.
- June – July 2008 Seven week seminar: *Multilevel Modeling*.
 Instructor: Steven A. Miller, California State University, Fullerton.
- May 2008 Half-day workshop: *Mixed Models for Longitudinal Data Analysis*. In conjunction with the 20th annual meeting of the Association for Psychological Science.
 Presenter: Donald Hedeker, University of Illinois, Chicago.
- May 2008 Half-day workshop: *Psychophysiology Made Easy*. In conjunction with the 20th annual meeting of the Association for Psychological Science.
 Presenters: Terry Blumenthal, Wake Forest University, & Tyler Loring, Washington & Lee University.

RESEARCH ASSISTANTSHIPS

- 2007 – 2009 *Face and object recognition*
 California State Set up and coordinated lab
 University, Fullerton Installed software and hardware
 Jessie J. Peissig Designed experiments, supervised undergraduate assistants, analyzed data, prepared professional presentations and manuscripts
- 2008 – 2009 *Age differences in interhemispheric processing*
 California State Analyzed data
 University, Fullerton Prepared presentations for professional conferences and presentations
 Barbara J. Cherry Prepared and edited manuscripts

Summer 2008 *Personality and Emotion Research Lab*
 California State Examination of quantitative methods in psychology.
 University, Fullerton
 Steven A. Miller

2006 – 2007 *Blocking and recovery of memory*
 California State Assisted with running participants, coding of data, preparation of
 University, Fullerton conference submission and presentation.
 David Gerken

TEACHING ASSISTANTSHIPS

2008 – 2009 Comparative Animal Behavior Lab
 California State University, Fullerton (PSY 304L)
 Jessie J. Peissig 2 sections

2008 – 2009 Research Methods (PSY 202)
 California State University, Fullerton 4 sections
 Aaron Goetz

Summer 2008 Elementary Statistics (PSY 201)
 California State University, Fullerton 1 section
 Steven A. Miller Advanced Statistics (PSY 465)
 1 section

SERVICE AND PROFESSIONAL ACTIVITIES

Professional Service

Editor, *On Behavior*, Newsletter for the Association of Pet Dog Trainers, 2001
 Animal Behavior Consultant, Seal Beach Animal Care Center, 1998 – 2000

Departmental Service

California State University, Fullerton
 Psychology Day Committee Member, 2007 – 2008; 2008 – 2009

AFFILIATIONS

Psi Chi, The National Honor Society in Psychology
 Association for Psychological Science
 American Psychological Association, Division 5: Evaluation, Measurement & Statistics
 Western Psychological Association
